**Address** Ertuğrul mah. Rakoczi sokak No:1 Süleymanpaşa/Tekirdağ

[www.muze.gov.tr](http://www.muze.gov.tr)

The Tekirdağ Museum, which features unique works such as the crown of the Thracian King Kersepleptes, the Chalcolithic Cult Pottery and the Crater with Attica Red Figure Support, also houses the works of Ottoman and Republican Era.

The Tekirdağ Archaeology and Ethnography Museum takes you on a journey of history with finds from cultures that lived on the territory of Thrace. It is waiting for you to witness the life of the Thracians.
