The museum of the city  
taking Caesar to the roads

Tokat Museum, which is one of the first museums in the history of Turkish museums, was established in 1926 and has an important place in Turkish Museology in term of its rich collection of cultural property. The inventory of Tokat Museum has been used as the main source for the creation of many museum collections, especially of the ones in the Black Sea region. In Tokat Museum, important artefacts of many civilizations (Chalcolithic, Early Bronze Age, Hittites, Phrygians, Romans, Byzantines, Danismants, Ilkanhids, Seljuks, Ottomans) that has a history of 6000 years, are exhibited. Besides, the richest collection of coins belonging to the Anatolian Turkish Islamic States and the oldest Quran known (dated 1191) belonging to the same period are worth seeing at Tokat Museum.

### Manuscript of the Holy Quran
